General	
4/13/2017	Today is a "B" day.
4/14/17 - 4/21/17	Spring Break - No School
4/28/17	<p>Citizenship and Caring are the character traits for the month of April. Caring and Citizenship are character traits that go hand in hand. Caring for others is a quality of good citizenship. Caring involves having a genuine sense of concern for the needs of others. All of us have many opportunities to show kindness and caring to others that can include having empathy, which is being able to feel and identify with what others are feeling. Caring includes not just having feelings but also taking specific actions to relieve the discomfort of others. When we empathize with people, we naturally want to help them. In recognition of the character traits of caring and citizenship, on Friday, April 7th, please wear either purple for citizenship or red for caring.</p>
4/13/17	Congratulations to Ms. Gravatt, Mrs. Swanson, and Mrs. Maher homerooms for winning the Earth Day trivia contest.
4/13/17	Come to the school store during lunch on Thursday, April 13th and stock up on everything you need for school. Only one more school store coming in May!
